"I wanted to let you know how much I have learned. Up to the last 3 years, all I consumed was beer. I then slightly branched out to drink a Gewurz or a red Zin. Before this class, I had never tried a Pinot, Merlot, Moscato, etc. Not only have I now tasted and enjoyed these varietals, I am now knowledgeable about areas, techniques, and geography. Thanks very much for sharing your knowledge and I know that I will pass this on to my students at UT."
