

Throughout the year, WineSavvy Consultants offers themed tastings: Vintage Port, Chianti Classico and Australian Shiraz to name a few. Each seminar offers the participants a tasting of 8 wines based on the theme, with the chance to express their opinions and share thoughts. Please review our site as it is updated monthly

2009 Bordeaux Tasting

Everyone is raving about the quality of the 2009 Bordeaux. Every appellation produced high quality wines and many are comparing the vintage against the fabled years of 1990, 1982 and 1947. This is a tasting not to be missed!
